5. A copy of the specific pieces of personal information we collected about you (also called a data portability request).

We may deny your deletion request if retaining the information is necessary for us or our service provider(s) to:

2. Mailing a request to:

Standex International Corporation
ATTN: Data Privacy Officer
11 Keewaydin Drive, Suite 300
Salem, NH 03079

Only you, or someone legally authorized to act on your behalf, may make a verifiable consumer request related to your personal information. You may also make a verifiable consumer request on behalf of your minor child. You may only make a verifiable consumer request for access or data portability twice within a 12-month period. The verifiable consumer request must:

1. Provide sufficient information that allows us to reasonably verify you are the person about whom we collected personal information or an authorized representative.
2. Describe your request with sufficient detail that allows us to properly understand, evaluate, and respond to it.

We cannot respond to your request or provide you with personal information if we cannot verify your identity or authority to make the request and confirm the personal information relates to you.

Making a verifiable consumer request does not require you to create an account with us. However, we do consider requests made through your password protected account sufficiently verified when the request relates to personal information associated with that specific account.

We will only use personal information provided in a verifiable consumer request to verify the requestor's identity or authority to make the request.

Response Timing and Format

We endeavor to respond to a verifiable consumer request within forty-five (45) days of its receipt. If we require more time (up to 90 days), we will inform you of the reason and extension period in writing.

If you have an account with us, we will deliver our written response to that account. If you do not have an account with us, we will deliver our written response by mail or electronically, at your option.

Any disclosures we provide will only cover the 12-month period preceding the verifiable consumer request's receipt. The response we provide will also explain the reasons we cannot comply with a request, if applicable. For data portability requests, we will select a format to provide your personal information that is readily useable and should allow you to transmit the information from one entity to another entity without hindrance.

We do not charge a fee to process or respond to your verifiable consumer request unless it is excessive, repetitive, or manifestly unfounded. If we determine that the request warrants a fee, we will tell you why we made that decision and provide you with a cost estimate before completing your request.

Personal Information Sales Opt-Out and Opt-In Rights

While we do not currently sell any personal information, you still have the right to direct us to not sell your personal information at any time (the "right to opt-out").

To exercise the right to opt-out, you (or your authorized representative) may submit a request to us by visiting the following Internet Web page link:

[“ <https://standelectronics.com/do-not-sell-my-personal-information/> ”]

Once you make an opt-out request, we are required by law to wait at least twelve (12) months before asking you to reauthorize personal information sales. However, you may change your mind and opt back in to personal information sales at any time by emailing privacy@standex.com.

Consumers who opt-in to personal information sales may opt-out of future sales at any time.

You do not need to create an account with us to exercise your opt-out rights. We will only use personal information provided in an opt-out request to review and comply with the request.

Non-Discrimination

We will not discriminate against you for exercising any of your CCPA rights. Unless permitted by the CCPA, we will not:

1. Deny you goods or services.
2. Charge you different prices or rates for goods or services, including through granting discounts or other benefits, or imposing penalties.
3. Provide you a different level or quality of goods or services.
4. Suggest that you may receive a different price or rate for goods or services or a different level or quality of goods or services.

Other California Privacy Rights

Standex does not track you over time and across third party websites to provide targeted advertising and therefore does not respond to Do Not Track (DNT) signals.

No third parties engaging in online behavioral tracking collect personal data related to your online activities “over time and across different web sites” through any of our websites or online services.
